

Ballona Creek Fall Cleanup Co-hosted by the Del Rey Residents Association!

9am-noon, Saturday, Nov. 21st, 2015

Centinela Ave. at Milton St., LA 90066, between Culver Blvd. and the I-90/Marina Fwy

BCR and the Culver City High School BCR Club are thrilled to cleanup a section of Ballona Creek, in conjunction with the Del Rey Residents Association. We invite the community to come lend a hand!

Join volunteers of all ages in this fun and worthwhile activity where the inland water and incoming tide meet, a special place of fish, birds, plants---yet still too much trash and concrete!

And it's a great way for students to earn community service credits. As with all creek and coastal cleanups, participants under 18 need waiver forms signed by their parent or guardian, available either on-site or online at www.ballonacreek.org. Adult volunteers also need to sign waivers.

Wear closed-toed shoes (preferably water-resistant) and sunscreen. Bring your own water in a reusable container. Water also will be available at the event, along with bags, grabbers, gloves, buckets, and educational displays. Arrive by bike or car. Park on Milton Street, Centinela Avenue, or Culver Drive.

BCR's Centinela Avenue creek cleanups are made possible by the ongoing support and permission of LA County Public Works/Flood Control District and LA City Council District 11/Councilman Mike Bonin and the active co-sponsorship of the Del Rey Neighborhood Council and LA City Office of Community Beautification.
