

# BALLONA CREEK *Renaissance*

## Ballona Creek Winter Cleanup!

**Saturday, February 3rd, 9am-noon**

*(Rain moves the cleanup to March 3rd; location TBA)*

Centinela Ave. at Milton St., LA 90066 between Culver Bl. & I-90/Marina Fwy

**BCR and the CULVER CITY HIGH BCR CLUB welcome volunteers of all ages for this fun and worthwhile activity where the inland water and incoming tide meet---a special place of water, fish, birds, and plants---yet still too much concrete and mostly-plastic ocean-bound trash! It's also a great way for students to earn community service credits!**

**With the BCR-initiated Culver City ban on polystyrene food and beverage containers now in place (THANK YOU, CULVER CITY!), we hope to see a little less polystyrene in future cleanups.** However, similar bans are still needed in other watershed municipalities.

**As with all creek and coastal cleanups, participants under 18 need waiver forms signed by their parent or guardian,** available either on-site or online. Adult volunteers sign waivers on-site. Minor waivers: <http://ballonacreek.org/wp-content/uploads/2016/01/cleanupwaiversfor-minors2015.pdf>

**Details:** Wear close-toed shoes (preferably water-resistant) and sunscreen. Bring your own water in a reusable container. Water also will be available at the event, along with bags, grabbers, gloves, buckets, and educational displays. More cleanup details:
